

L G

KY Brownfield Redevelopment Program

Living Greener

Want to start a garden in an urban setting but have questions about environmental issues and logistics? This workshop will put you on the path to gardening success.

Do you have or want to start a community garden? Did you know that properties with a past, while challenging at times, can be used safely and effectively for community gardening spots? Join us for our Green and Clean event to learn more about potential environmental issues typical of urban properties and the best management practices that will help you grow a successful, sustainable community garden.

What you will learn:

- Common issues for community gardeners
- Environmental concerns and how to address them
- Successful strategies for community gardening
- Community gardening and sustainability

Who should attend?

- Potential gardeners
- School groups
- Gardening clubs
- City governments
- Co-op members
- Health departments
- Restaurants
- Community supported agriculture organizers
- Neighborhood organizations

Event Date:
Friday, Mar. 2, 2012

Time: 9 a.m.-3 p.m. EST

Fees:

\$20 General Admission

\$10 for KY EXCEL members*

Hardship waivers are available for those that can document need.
